English Development Envelopes were allocated to corporate groups of broadcasters for commitments to convergent projects in the 2010-2011 fiscal year. Convergent projects must have a traditional broadcast component and a rich and substantial digital media component.

Approved applications for the English Development Envelopes as of March 31, 2011 are listed below. Commitments total \$7 million.

Approved applications are shown with the title of the convergent project, the applicant production company, region of production, project

component viewing platform, the content type of the digital media component, the corporate group envelope, and the amount committed to each component. If the digital media component receives no funding from the CMF, it will not appear on this list. For inter-provincial co-productions, the region of control reflects the residence of the majority co-producer and the location of principal photography.
